Percent satisfied with school-home relations	77.8%	70.7%	93.8%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Chicora Elementary continues to keep “Excellence is our Standard” as its theme and focus. In 2006, Chicora was one of six schools in the nation and the first ever in South Carolina to win the National School Change Award. This award recognizes schools that have made substantial improvements in all areas.

An energetic, highly-qualified, enthusiastic faculty and staff are keys to the success that is visibly transforming Chicora Elementary School. A demonstration classroom and relevant monthly staff development, which address the specific needs of Chicora, are important parts of our school improvement plan. Reduced class size is also important. We evaluate the strengths and weaknesses of our programs and students based on MAP scores, surveys, and other data.

We have had a busy and productive year. We will continue with our school-wide reading program, which includes a reading celebration in May. A highly effective parenting team continues to develop good home/school relationships. Our mentoring program grows every year. Our goal is one mentor for every child. We have recently formed a partnership with Wings, which will provide a quality after school program.

An updated, state-of-the-art computer lab with a certified teacher has been an asset for the school and community. At Chicora, we utilize technology to enrich and increase student achievement in all academic areas. The fifth-grade teachers are excited that their students continue to progress with the Read 180 and Read About programs, two unique reading programs that integrate technology, English Language Arts, and the specific content areas. Successmaker, a reading and math technology program, is used in second through fourth grades. Academy of Reading is also used to support struggling readers in fourth grade.

The principal continues to have an open-door policy to help ensure a school climate that is friendly and inviting. Chicora has a talented, dedicated faculty and staff who work hard each day to provide meaningful experiences and lessons for our students. The students’ potential is great, and we must strive daily to unlock that potential and help each of our children become successful. We recognize that high expectations result in exemplary performance, and that is what we demand for and from the students at Chicora Elementary.

Camille Lee, Principal
Shantia Wilder, School Improvement Council Chairperson
